

EAST SUSSEX DISTRICT ASSOCIATION

CORONA VIRUS COVID-19 UPDATE

To all ESDA camping friends, I felt that as this current situation looks set to continue for awhile I would update you on where we stand both as a Club and as our individual D.A.

The Club

As I am sure you are aware camping has been started up again in a limited format. This applies to the Club owned sites and as an advisory to the network of certified sites.
All committee meetings both Regional and local, including AGMs have been held on Zoom until further notice.

The D.A

In accordance with these rules we are opening future DA meets but for the time being only six members can meet together outside on site as per outside regulations and no entering other units. I would hope that we are all taking care to follow the Government guidelines by staying at home and where possible keeping ourselves clear of unnecessary contact with other people.

Rest assured that once this situation is changed, we will take great steps to resume our camping as normal as soon as possible.

In the meantime, the committee will be updating both our facebook page and our website with information as and when available. If anyone wishes to contact the committee regarding the D.A. some phone numbers are listed below:

Mick May Chairman	07486916204
Roger Wynn Secretary	01273 514998
Jeannie May Site Secretary	01323 489486
Jane Tanner Treasurer	01273 555910
Joan Pannell	07774 880005
Peter McShee Youth	07479 987667
